Clinical Mental Health Counseling Practicum Consent Form

I am a graduate Student in the Clinical Mental Health Counseling program at Cleveland State University. The first field experience component of the Master's Program includes a practicum experience. Practicum is a term used to describe a learning experience under the supervision of a Professional Clinical Counselor with a Supervisor Endorsement (PCC-S). This Semester I am working under the supervision of

_____ (Supervisor's name) at _____ (agency). If the client is a minor, I need a parental/guardian consent to conduct counseling sessions with them.

As part of my training as a counselor, I am required to record some of my counseling sessions which are then reviewed by my university Practicum Course Instructor. In order to conduct these recordings, I also need your consent. All tapes are kept in strict confidence and are used only for training purposes and are therefore not a part of your client/patient record. Tapes are permanently deleted following completion of supervisory consultation. Should you have any questions or concerns at any time you can contact my university instructor, _____ (name) at (216) 687- 4613 and/or my site supervisor _____ (name) at _____ (number).

Please initial, after the activities you consent to, below. Please also sign and date the form at the very bottom.

Thank you for your consideration,
Sincerely,
