ECE 441 Internship 1 Field Early Childhood Education

Cleveland State University College of Education & Human Services

I. <u>Course Description</u>

Π.

ECE 441, Internship 1- Field is a co-requisite for ECE 441- Seminar. This course meets once a week and supports the transition of the intern from student to teacher.

All students enrolled in this class must have a valid and unexpired Clearance Report from the Bureau of Criminal Identification and Investigation (BCI) and the Federal Bureau of Investigation (FBI) on file with the Office of Field Services.

In addition, all students must have successfully met all Taskstream Checkpoint 1 requirements.

Relationship to the Concurrent Seminar

Students enrolled in this course must also be concurrently enrolled in ECE 442, the seminar companion to this Field practicum. The field experience will provide the context for the seminar assignments (e.g., lessons taught, student behavior observed). Students must pass both Internship 1 components (ECE 441 and ECE 442) in the same semester to be eligible to move forward into Internship 2. Students who do not receive a passing score of B or better in either ECE 441 or ECE 442, must repeat both concurrent courses in order to progress to Internship 2.

III. <u>Course Rationale</u>

١.

The purpose of Internship I- Field class is to assist interns in making the transition from college student to a classroom teacher.

Text There is no required text for this course.

V. Instructional Strategies/Activities Related to Diversity and Technology

In keeping with CSU's commitment to preparing effective urban educators, candidates are required to complete at least one major field experience in a city designated by the Ohio Department of Education as "urban."

As part of every lesson plan, candidates are expected to explain how their learning outcomes are based on a thorough knowledge of the educational contexts and the students they teach. They need to demonstrate responsiveness to a wide variety of student diversity, including gender, race, ethnicity, ability, and interest. Prompts for some Guided Reflections explicitly require candidates to reflect on the social issues that impact education in diverse educational settings. The Inquiry based Unit Plan assignment requires candidates to explain how the instructional strategies they use are appropriate for the students in the classroom.

Candidates are assessed on their effective use of technology in each formal observation and as a part of their participation in the seminar.

VI. <u>Course Requirements</u>

a. Field Requirements

- The field hours are composed of three hours per day, four days per week, for the entire 15-week semester. Candidates are expected to observe, assist, and co-teach with the mentor teacher.
- <u>Interns will work both online and offline</u>. You may do planning and grading on your own or with the mentor. Either way be ready to justify how you spent your time on your timesheet.
- Candidates will be observed a total of four times by the CSU supervisor and twice by the mentor teacher. For each observation, the candidate must provide a full lesson plan 48 hours in advance.
- At the midpoint and end of the semester, the candidate will participate in a "triad meeting" with the university supervisor and mentor teacher to assess progress in the course and complete the CPAST scoring tool. The final Triad CPAST score will determine the semester grade.

b. Grading criteria

This course is a pass/fail. The cumulative score on the 15-week CPAST will determine the pass or fail grade.

Grade	Points
Pass	3.0 -1.28
Fail	1.27or below

VII. <u>Course Policies</u>

A. Attendance and Punctuality

The following policy applies to all Field Experiences. Regular attendance is required according to the requirements of the experience. This policy includes all field hours as well as orientations, associated seminars, and other professional activities affiliated with the internship.

All students are expected to:

1	Complete the Intern Attendance Form daily. (File with Mentor Teacher)		
2	Make available the Intern Attendance Form for supervisor when asked.		
3	Be present for the full duration of the time scheduled for each day. Leaving early or arriving late is not permissible without advanced notification and permission. Missing over an hour on any day is considered an unexcused absence.		
4	Arrive early or stay late as required for preparation and discussions with a mentor teacher.		
5	Receive mentor teacher and supervisor's advance approval for any anticipated absences , See Below for information regarding absences.		

6	Notify the mentor teacher, school secretary, and university supervisor of any			
	anticipated absences See Below for information regarding absences.			
7	7 Leave detailed plans and materials for the mentor teacher who will 'cover' for the intern			
	during an excused absence. See Below for information regarding absences.			
9	Make-up each excused absence beyond three. See Below for information regarding			
	absences.			
1	Attend a concern conference, if attendance or punctuality becomes an issue. (e.g. more than			
0	3 absences.) Failure to make-up absences may require Intern to withdraw from field			
	experience. Any intern facing such a possibility should confer with the Office of Field			
	Services.			

Mentors and children expect you to be consistent and reliable with attendance and punctuality.

Unexcused absences are not permitted for any reason

- B. Excused absences With proper communication to university supervisor and mentor teacher, in extenuating circumstances, interns are permitted up to three (3) excused absences. Each excused absence beyond three must be made-up. See Personal Leave Policy below for definition of excused absences. If more than 3 absences occur, and these absences cannot be made-up, interns may be required to withdraw from practicum. (See OFS Handbook)
- C. <u>Professionalism</u>. Students are to act professional at all times. Professionalism encompasses many areas of behavior, including dispositions, courtesy, attendance and punctuality, appearance, initiative, fulfillment of responsibilities, ethical behavior, and protection of student confidentiality. For complete guidelines on professional behavior, refer to the Office of Field Services Handbook. **Failure to demonstrate professional behavior at any point in the experience may jeopardize an intern's continuation in his/her program**.
- D. <u>Professional Dispositions</u>. One important aspect of your education is the development of professional dispositions—ways of working, thinking, and interacting with others—in three areas: Professionalism, Work Ethic, and Communication Skills. You should be monitoring your own development beginning now and continuing throughout your teaching career. The Student List of Professional Dispositions can be found in the handbook on the OFS website.
- E. <u>Professional Boundaries</u>. All CSU interns are required to adhere to professional teacher boundaries. Boundaries in the teaching profession tend to be more stringent than in most fields. What can be considered "helping" in some fields may be considered out of bounds when done by teachers. See the OFS Handbook for more detailed information.
- F. <u>Ethics</u>. Cleveland State requires all interns to follow the professional guidelines set by the College of Education and Human Services and the Code of Ethics established by the National Education Association.
- G. <u>Ethical and Responsible Technology Use</u>. All interns must adhere to the CSU Information and Technology Resources General Policy when using computer equipment on campus.
- H. <u>Plagiarism/Academic Integrity</u>. The CSU Student Handbook describes plagiarism as stealing and/or using the ideas or writings of another in a paper or report and claiming them as your own. This includes but is not limited to the use, by paraphrase or direct quotation, of the work of another person without full and clear acknowledgment.

I. Minor infractions comprise those instances of cheating, plagiarism, and/or tampering which affect the grade of an individual class assignment or project of lesser (<25% of grade) importance. Multiple instances of minor infractions within a course or across courses constitute a major infraction.

II. Major infractions comprise those instances of cheating, plagiarism, and/or tampering which affect the overall course grade, such as a major/comprehensive exam, term paper or project, final grade evaluation, or academic standing and status. Major infractions automatically result in an entry on the student's permanent record that the student has engaged in academic misconduct.

III. Procedures of reporting plagiarism are described in the Student Handbook, available at http://www.csuohio.edu/studentlife/. Additional information on plagiarism is available at the CSU Writing Center, RT Library 124; (216) 687-6981 or http://www.csuohio.edu/academic/writingcenter.

I. <u>Students with Disabilities.</u> Educational access is the provision of classroom accommodations, auxiliary aids and services to ensure equal educational opportunities for all students regardless of their disability. Any student who feels he or she may need an accommodation based on the impact of a disability should contact the Office of Disability Services at (216) 687-2015. The Office is located in MC 147. Accommodations need to be requested in advance and will not be granted retroactively.

J. <u>Technical Help</u>. If you have a question about Taskstream or require technical assistance with videotaping or editing, you should visit the Center for Educational Technology in JH 118 during posted hours or contact Dr. Heather Gallacher (687-3743; <u>h.gallacher@csuohio.edu</u>) or Dr. Brian Yusko (875-9774; <u>b.yusko@csuohio.edu</u>)

Health and Safety syllabus statement

The COVID-19 pandemic is still present and serious. Many of you will once again be teaching via online instruction or a hybrid model of online and in-person instruction. It is imperative that you follow all of the school districts policies for COVID-19 precautions. Students who violate this protocol will need to leave the classroom and MAY lose their placement. Repeated violations of these health-saving protocols may lead to sanctions under the CSU <u>Student Code of Conduct (3344-83-04 [E] and [Z])</u> up to and including suspension or expulsion. The CSU community thanks you for your cooperation!

During educational uncertainty caused by responses to the COVID-19 pandemic, it is important to develop a growth mindset and to remember that the continued running of schools requires flexibility. The coronavirus pandemic has upended our notions of normal. Decisions made by school leaders may not always be the right decisions and learning opportunities may not align with those discussed in previous courses. Ultimately, "as our K-12 partners engage in new types of teaching and learning, they are in unfamiliar territory. With your experiences and training, you are in a position to provide much-needed services to K-12 teachers to assist with student engagement, tutoring, and assessment of student learning. We ask for your patience in working alongside mentor teachers on this journey of discovery. We are confident that you will be a valuable asset and that you will proudly represent CSU in the field" (Office of the Dean).
