

About NFBPA:

The National Forum for Black Public Administrators (NFBPA) is the principal and most progressive organization dedicated to the advancement of black public leadership in local and state governments. An independent, nonpartisan, 501(c)(3) nonprofit organization founded in 1983, the NFBPA has established a national reputation for designing and implementing quality leadership development initiatives of unparalleled success. Its over 2,600 members can be found managing public programs and agencies in more than 350 jurisdictions nationwide. Forty chapters support the growth of the organization at the local level. We invite you to join us.

Change and Innovation: New Roles and Norms for Public Sector Leaders

Public sector leaders face unprecedented pressure to improve service delivery and responsiveness to citizen demands. Many public-sector leaders have responded to the new trends by creative partnerships and program innovations that both maximize resources and improve service delivery. This workshop presents a few of those public-sector leaders and their path to relevance and innovation in their organizations.

Moderator—Dean Roland Anglin

Panelists:

Greg Brown - Executive Director — Policy Bridge

Natoya Walker Minor Chief of Public Affairs- City of Cleveland

Floun'say R. Caver, Ph.D. -- Deputy General Manager – GCRTA

Joe McRae - Director of Recreation –City of Cleveland Heights

Behind the Scenes of Supplier Diversity/EEO Programs

In today's highly regulated, visible environment that is potentially politically charged, government entities and many public agencies continually seek and work to create and foster a fair, equitable and diverse environment by designing, implementing and closely adhering to supplier diversity strategies and programs.

This workshop will examine the essentials of supplier diversity/EEO programs

Moderator— Tiffany White

Panelists:

Melissa Burroughs PHD, Office of Equal Opportunity, City of Cleveland

Tiffany Jordan, Contract Compliance Manager, Northeast Ohio Regional Sewer District

Panelists Cont'd:

Herlinda Bradley, Commissioner Purchasing and Supplies, City of Cleveland, Department of Finance

Government Goes Tech: Hacking Away at Improving Public Policy and Services

This workshop will discuss the outcomes of community and government driven Hack-A-Thon applications and recommend lessons learned for organizations seeking to use this model to address civic and social concerns.

This workshop will examine:

- Hack-A-Thon case studies
- Technology, government and citizenry collaborations on social issues
- Applying a collaborative approach within government to address citywide concerns

Moderator—Keshia Chambers

Panelists:

Seth Pinckney, Co Founder of Hack Cleveland
